Seasons Greeting from A Tuna Christmas, the hilarious sequel to the hit comedy, Greater Tuna. Come spend the holidays with all your old favorite citizens of Tuna, Texas and make some new friends while you're there. Two actors, with the help of some split-second costume changes, portray all 24 citizens of Texas' third smallest town, where the Lion's Club is too liberal and Patsy Cline never dies. This time, it's 24 hours before Christmas and all comic hell is about to break loose as the delightfully eccentric characters attempt to cope with seasonal traumas such as a disaster prone little theatre production of *A Christmas Carol*, and a yard decorating contest that is being sabotaged by a mysterious Christmas phantom! Bring the whole family and join in the holiday fun!

**Nov. 11-14 & 18-21, 2010**

Isobel Lomax and Dolly Biddle are two "mature" cable-access cooking show hostesses who have hated each other for 30 years, ever since Larry Biddle dated one and married the other. When circumstances put them together on a TV show called The Kitchen Witches, the insults are flung harder than the food! Dolly's long-suffering TV-producer son Stephen tries to keep them on track, but as long as Dolly's dressing room is one inch closer to the set than Isobel's, it's a losing battle, and the show becomes a rating smash as Dolly and Isobel top both Martha Stewart and Jerry Springer!

**Feb. 3-6 & 10-13, 2011**

Unger and Madison are at it again! Florence Unger and Olive Madison, that is, in Neil Simon's hilarious contemporary comic classic: the female version of The Odd Couple. Instead of the poker party that begins the original version, Ms. Madison has invited the girls over for an evening of Trivial Pursuit. The Pidgeon sisters have been replaced by the two Constanzuela brothers. But the hilarity remains the same.

**April 7-10 & 14-17, 2011**

The internationally popular game is now a fun-filled musical which brings the world's best known suspects to life and invites the audience to help solve the mystery: who killed Mr. Boddy, in what room and with what weapon. The audience is heavily involved in finding the culprit with 216 possible solutions! Only one hard nosed female detective is qualified to unravel the merry mayhem. Comic antics, witty lyrics and a beguiling score carry the investigation from room to room. Even after the culprit confesses, a surprise twist delights the audience.

**June 15-19 & June 22-26, 2011**

The Broadway smash hit! An orphan, Annie, and her dog Sandy are placed in the lap of luxury for a week as a part of a publicity campaign for Oliver Warbucks. However, Annie's stay turns out to be much more than anyone had bargained for as she works her way into everyone's hearts and learns a few things for herself.
